

# To Be Completed by School Official

Please complete this section only if the applicant is applying directly from high school and wished to be considered for scholarship.  
Note to counselors, teachers and principals: Under the Freedom of Information Act this information may be released to the student

## For All Applicants

Please attach or forward separately to the Registrar's Office an official high school transcript on behalf of the applicant. Please ensure that a complete list of classes in which the applicant is registered accompanies the transcript. If the school is semestered and this application is forwarded before March 1, please include a list of classes in which the applicant will be registered in the final semester. A final transcript must be submitted to the Registrars Office upon completion of classes.

## For Scholarship Applicants

All scholarship applicants are responsible for submitting a portfolio of their creative work. Applications received before March 1 will be given priority consideration for scholarships. The evaluation committee will evaluate the applicant's average academic mark as of March 1. We will also consider the student's marks in courses related to the program being applied for.

In comparison with other students whom you have known at comparable stages in their education, where would you place this student and his academic potential?

---

---

In considering creative potential, how would you characterize this student's ability in comparison other in their peer group?

---

---

When assigned a task, how would you describe this student's:

commitment to completing the task within the prescribed amount of time?

---

---

commitment to completing the task to the best of their ability?

---

---

Are there any special mediating factors, personal or otherwise, that you feel should be taken into account in considering the eligibility of this applicant for scholarship?
